**Date Issued:**

In the event a vacancy occurs on the Board of Education more than 90 days prior to the next scheduled general election, the remaining members of the Board shall, by majority vote, select a qualified person to fill the vacancy until at that election a person is elected to fill the position.

If that next scheduled general election is not one at which a successor normally would have been elected to a full term, then the person elected in that general election would be elected to fill the unexpired term.

If the vacancy does not occur more than 90 days prior to the date of a schedule general election, then the remaining members of the Board shall, by majority vote, select a person to fill the unexpired term.
