Rescinds Code: BBBC
Issued: 7/1986

Board members are encouraged to participate in meetings, conferences, and workshops of state and national school boards associations and to take part in other activities which will help them become better informed and able to perform their duties.

Funds for participation at such meetings and activities will be budgeted for on an annual basis. When funds are limited, the Board will designate which of its members would be the most appropriate to participate at a given meeting.

When a conference, convention, or workshop is not attended by the full Board, those who do participate will be required to share information, recommendations, and materials acquired at the meeting.

Reimbursement for registration fees, expenses and per diem shall be paid for such Board members, even before assuming office, for attendance at workshops to be conducted by the State Department of Education in cooperation with the Georgia School Boards Association.
