Issue Date:

The Board of Education authorizes the School District's participation in the community coach program as adopted by the Georgia High School Association (GHSA). The Community Coaches program shall be operated in full compliance with rules and regulations of the GHSA.

The superintendent shall recommend to the Board the employment of community coaches following the same procedures used in the employment of persons to fill other positions. All community coaches shall be registered with the GHSA and shall have completed the required training and successfully passed the required testing programs prescribed by the GHSA.

All fees associated with the registrations, courses, and testing program for community coaches employed by the Board of Education shall be paid by the school district. The Superintendent is authorized to require that the community coach seeking certification reimburse the School District for fees paid.
