

**TERRELL COUNTY BOARD POLICY**  
**Basic Program of Instruction**

**Descriptive Code:** IDA  
**Date:** 2/13/2012  
**Rescinds Code:** IDA (1), IDA (2)  
**Date Issued:** 2/10/2003

The Terrell County Board of Education recognizes that all students enrolled within its jurisdiction are entitled to educational opportunities appropriate for meeting their academic and physical needs. The Board believes that one of the best ways of ensuring equality of educational opportunity is through a uniform, sequential, and consistent curriculum.

The Board directs that the curriculum offered in the schools of Terrell County shall be based State Board of Education adopted curriculum. The Board further authorizes the school system to expand and enrich on this state required curriculum to the extent considered necessary and appropriate to meet student needs.

**Additional Information**

Additional policies, rules, and regulations regarding the Core Curriculum are contained in State law and State Board of Education rule IDA.
